How did you hear about us?

Your Kitchen Today

An accurate floor plan of your kitchen is a big help for our Kitchen Designer when it comes to designing your perfect layout! Overleaf there is a sheet of graph paper for you to sketch out your ideal Cash & Carry Kitchen.

Sample Sketch

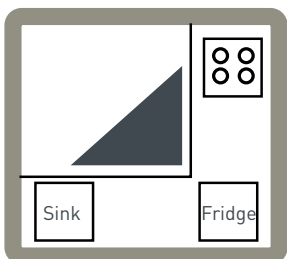

Please Note: We will base our quotation on your measurements, so it's vitally important that they are accurate.

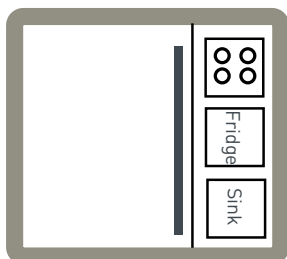

Which Layout Are You?

Choose the layout which offers you the greatest ease of manoeuvrability.

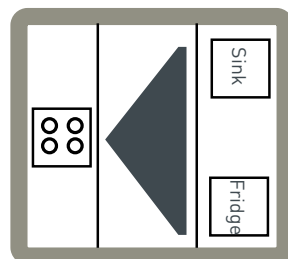

The 'work triangle' of cooker, sink and fridge cuts down the excess of movement by centering the work space.

5 Easy Steps

1. Measure your kitchen dimensions, don't forget any doors and windows.
2. Select one of many kitchen styles, then let us help you design your perfect kitchen.
3. A specialist kitchen fitter can carry out a survey of your kitchen to make sure it fits.
4. Add your own personal touches to make your kitchen special.
5. Sit back, relax, your new kitchen will be delivered to your home in just a week.

Your New Kitchen

We can supply you with new appliances, just tell us what you need and we can deliver them with your new kitchen. Otherwise if you wish to use your existing appliances please let us know their dimensions and we can work them into your design.
